Wilson's Mills, North Carolina

Wilson's Mills High School

We, the seniors of 1968, present to you the twentieth edition of TREASURED MEMORIES.

Each moment that has been put into the preparation of this yearbook has been enjoyed and will long be remembered. We wish to thank each member of the staff and our sponsor, Mrs. Uzzle, for her cooperation.

It is our hope that this book will serve as a diary of your memories during this past year, and will serve as a "key" to happiness for many years.

So, now we give you our "treasured memories" of our last year in high school in hopes that you will remember us, for we will never forget you.

Editor

Bonnie Reader

One of the first things to be done is to prepare a dummy for the annual. Treasured Memories editor, Bonnie Reeder, and associate editor, Sandra West, work on the layout of one of the pages.

Miss Carolyn Parrish
daughter of Mr. and Mrs. C. K. Parrish, Sr.

Miss Parrish is truly devoted to her niece, Kay Parrish. They ride to and from school together each day.

In addition to her other activities Miss Parrish is the school guidance counselor. She is pictured here with Cathy Cole discussing her plans for the future.

To a person whose wit and cheerful disposition has added to each day of our school lives we dedicate our annual. She is a person who has spent her life trying to instill knowledge of books as well as life into her students. To this person who has made us more aware of the importance of planning for the future we say thank you. With full and thankful hearts we dedicate the 1968 edition of the TREASURED MEMORIES to Miss Carolyn Parker Parrish.

Miss Parrish is the coach of the girls' basketball team also. She works hard to prepare them for their games and sticks with them whether the season is good or bad.

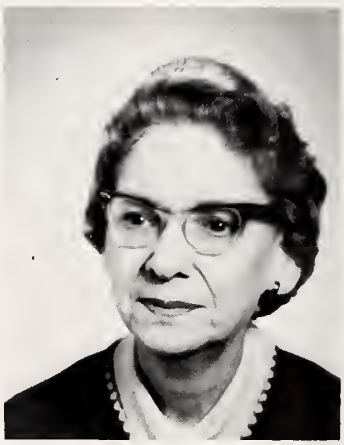
ADMINISTRATION

Our principal, Mr. J. T. Uzzle, has served our school for 19 years. Through all these years he has helped students to the best of his abilities. We, as all graduates before us, find it hard to put into words how much he means to us. We extend our deepest appreciation and thanks to him for all he has done for us these past years.

Mr. Uzzle has many other interests. One of these is to supply oil for his community.



Mrs. Wilson, our secretary, helps Mr. Uzzle in the office and also the teachers and students. If anyone is ill they know Mrs. Wilson will help them.

The Monogram club is composed of all the students who have received their letter by playing twenty-five quarters during one basketball season, or by serving as a manager or game official. These leaders have influenced our school by promoting better school spirit among other students and by making them want to work harder. This group of students has strived to better themselves and has reached at least a ninety average for the year. This is one step a student takes to reach his goal of success.

Perfect Attendance

Perfect attendance can help to put other students on the Honor Roll list, as an absence from school leaves a gap in a student's learning process.

Marshals 1967

Bonnie Reeder
Chief Marshal

Each year students who have achieved the highest scholastic average in their class are chosen to act as marshals at graduation. The three students in the junior class, the two in the sophomore class, and the two in the freshman class with the highest averages are the marshals. The student in the junior class who is top in his class receives the honor of being chief marshal. To be a marshal is a great honor and is a result of much hard work on the student's part.

The 1967 marshals were Mike Lee, Johnny Jones, Elaine McKinney, Tom Strickland, Bonnie Reeder, Bobby Creech, and Felton Stephenson.

Prom 1967

The 1967 Junior-Senior Prom was really a success. Everyone looked marvelous and seemed to have a good time eating and dancing.

"The Vogues" were a hit with everyone as they played a variety of music.

The 1967 Juniors sang their theme song "Apple Blossom Time" as a farewell to the Seniors with much feeling.

Several selections and a dance by the waiters and waitresses added to the festivities of an enjoyable occasion.

Halloween

KINGS AND QUEENS

The junior class sponsors the Halloween Carnival each year, and this year one of the most prominent events was the crowning of the Kings and Queens of Harvest Time. The Kings and Queens were crowned in a background of corn stalks and pumpkins and presented with trophies.

Game Officials

Bonnie Reeder, scorer, and Sandra West, timekeeper, are very accurate in keeping up with the game statistics.

Concession Workers

Mavis Johnson and Phereba Smith work hard to keep the crowd well refreshed during the exhausting game.

Mrs. Uzzle brings the twelfth grade English class in touch with something new and different each day, concerning literature and grammar.

The Seniors have worked hard to complete this year's annual. This is a scene of a typical night meeting.

EXTRA-CURRICULA

Our school is fortunate to have Mrs. Manning as our public school music teacher again this year. Every Friday she instructs each class in chorus and certain instrument techniques.

BARBECUE SUPPER

Each year the P.T.A. sponsors a barbecue to raise money for their treasury. This money is used to buy such things as the fruit bags at Christmas. Many of our parents work hard to make this event a success. Mr. Hobert Reeder and Mr. Dwight Youngblood work as chefs each year to barbecue the delicious chickens our parents serve.
